

QUESTIONS EVERY ASSET OWNER SHOULD ASK.

Asset disposition is a critical component to many business strategies. Before you choose a liquidation partner, be sure to ask the following questions to ensure you choose a partner who's right for you.

1. How long have you been in business?
2. What is your background in the industry?
3. How many categories do you represent?
4. What is your primary category? Do you have experience in selling the type of assets I have to liquidate?
5. Do you own your own software?
6. Is your platform browser-based?
7. Do you have a marketing and advertising team in place to assist with my needs?
8. Do you provide advertising opportunities in your Marketplace?
9. Can I sell using traditional methods such as Instant Purchase or Make Offer in your Marketplace?
10. Do you offer a timed auction solution? Does your timed auction solution include extended bidding?
11. Do you offer a live auction webcasting solution with free audio and video streaming?
12. Will I have access to archived sales information?
13. Do you provide a fraud protection system? Does this go beyond a simply credit card verification?
14. Are you PCI compliant?
15. Do you offer remote clerking capabilities?
16. Do you offer a "white label" solution?
17. Do you offer toll-free customer support?
18. Will I have access to buyer data?
